KS1 – World Meeting

World leaders are meeting in August 2015.

The meeting will be in New York.

Their job is to make goals to improve our planet.

Send My Friend to School has a message for world leaders.

We want them to know there are 58 million children not in school.

We want world leaders to send these children to school.

So, we are going to make 3D world leaders like these.

We will colour them in and write: 'If I were a world leader I would ...'

What would you do if you were a world leader?

When you have made your 3D world leader, you can give it to a real world leader.

Yasir Yeahia says: “If I were a world leader I’d reduce the number of children out of school from 58 million in 2015 to 40 million by 2020”.
