KS1 – Joshua's story

Meet Joshua Salama.

Joshua is eleven-years-old.

He lives in Nigeria. Nigeria is a country in West Africa.

Joshua went to a summer camp led by Send My Friend to School.

He learned how to tell people to go to school.

Many children work at home instead of going to school.

Joshua helped over a hundred children into school.

He told his friend to go to school because “he will be something great.

For example, he will be a doctor, or a lawyer or a pilot and he will educate the community”.

He also sends messages to world leaders like:

“Children are the people of the future.

Children are the ones that will be the presidents, the doctors, the people that will help their community.”

How has Joshua changed his community?
