Meet Yasir Yeahia.

He is twenty-years-old.

He lives in London and loves Send My Friend to School.

This is Yasir with his friend Navdeep. They are at the Houses of Parliament.

Yasir and Navdeep gave a talk to politicians.

They told them about the 58 million children who do not go to school.
Yasir is telling a group of students about his visit to Guatemala.

Guatemala is a country in South America.

In Guatemala, many children work in the market instead of going to school.

Yasir says: “If I were a world leader, I would send ALL children to school”.
